

Applicant: Terry et al.
Application No.: 10/029,651

REMARKS

By this Preliminary Amendment, Applicants have amended the claims 1, 11-18, 21 and 24 to place the claims in better form for examination, and to more particularly point out and distinctly claim the subject matter which the Applicants regard as the invention. Claims 2, 19, 20 and 22 have been canceled without prejudice. Furthermore, the specification has been amended to provide a new title that more distinctly indicates the subject matter of the claimed invention. The Applicants submit that no new matter has been introduced into the application by the amendment.

Entry of this Amendment and prompt allowance of the pending claims is respectfully requested.

Respectfully submitted,

Terry et al.
